THE CLAW

Martha Blanson

Martha,

It's really been a great year, the problem is it has all went by so fast. Remember when I first met you we were at the doctor's office. Jimmy was there with you. I think you'll make a great couple but since he did you so dirty maybe things should have ended. It's been great knowing you. I think you are a sweet and very pretty girl, stay the way you are and you'll have a beautiful life facing you. Good luck with everything you do!

A Friend Always,

Love,

Dawn

Dearest Martha: {I love you}

Ever since I've met you my life has been different and lots more happier. Sure, we've had our ups and downs but somehow we've always worked out what ever it was. Ever since the day I met you I've loved you more and more. I just don't know how to explain it. Every other girl I've met or went with has never meant as much to me as you do. I've never felt this way about a girl the way I feel about you. Usually when I see a girl as much as I see you I get tired of them and want to get rid of them but with you it's been different. I want to see you all I can & when I can. Martha might be the most jealous boy in the world but if I didn't love you I wouldn't care who you talked to or what you did. I tell ya, I think we make a great couple, we do things together, we go places together and we like to do the same things together. Martha I love you very much and I want you to believe me because I mean it with all my heart. Martha I swear, I don't know why but I worry like the devil about you while I'm at ^{sorry babe} ~~school~~ work and you're at school. I'm afraid that some boy is talking to you or trying to get you to date him. But I swear to God Martha if I ever find out somebody is trying to break us up I'll kill the - - - - - ?

EAST DAVIDSON
HIGH SCHOOL
THOMASVILLE, N.C.
VOLUME XVII

Well back to me and you. I really don't know what I'd do without you. I guess it would take me forever to get over you but I guess I'd have to do it some way or another. It would probably drive me to drinking ya know. Martha just hopes your feelings for me are as much as mine are for you. I do love you babe very dearly. you just don't know how much it hurts me when we get in a fuss or break up or something. There's just no way of telling you how much I really love you. I try I really do but its still not all I want to. I just love you to much to explain it all to you. Babe if you ever do move I want you to know I'll always come and see you until we can finally get married. I mean it babe. I could marry you now.

DEDICATION

When this man is not dressed in a National Guard uniform or a Santa Claus suit, he is working hard toward the betterment of East Davidson. He has a winning way with a paddle and his autograph is essential to those who wish to leave during the day.

We, at East, deeply appreciate him for all his time and concern for the school and the students. For this, we have dedicated our 1978 Claw to our assistant principal and friend, Mr. Bert Wagner.

Thank you very much for the photo of the giraffe
and Mickey Mouse. I hope you are all well.

Our Senior year ends, and all of us leave with memories, some happy, some sad, of our four years at East. We came as frightened freshmen, but soon realized there was nothing to be afraid of. Pep rallies, Homecoming, and clubs were all new to us, and after the first semester we noticed none of the clocks ever had the same time! Most of the girls had their first date by our sophomore year, and most of us could find our way around the hall without having to ask for directions. After much anticipation, our junior year brought Beta Club inductions, class rings, the PSAT, and the Junior-Senior Prom. Being a Senior, however, was the most special year. We took the much dreaded SAT, sent applications to colleges we hoped to attend, and ordered graduation invitations. The girls had their last pajama parties and the senior guys flipped over freshmen girls.

Time flew and soon we walked the halls for the last time as Seniors. With a diploma and many memories to treasure, we left East Davidson. Others would soon follow to take our place.

J.V. CHEERLEADERS

The eight Junior Varsity Cheerleaders for this year have done their job well. They have practiced hard to cheer to the best of their ability. The girls supported all J.V. teams through victories as well as defeats. This year's squad helped the Varsity Cheerleaders throughout the year.

HOME COMING

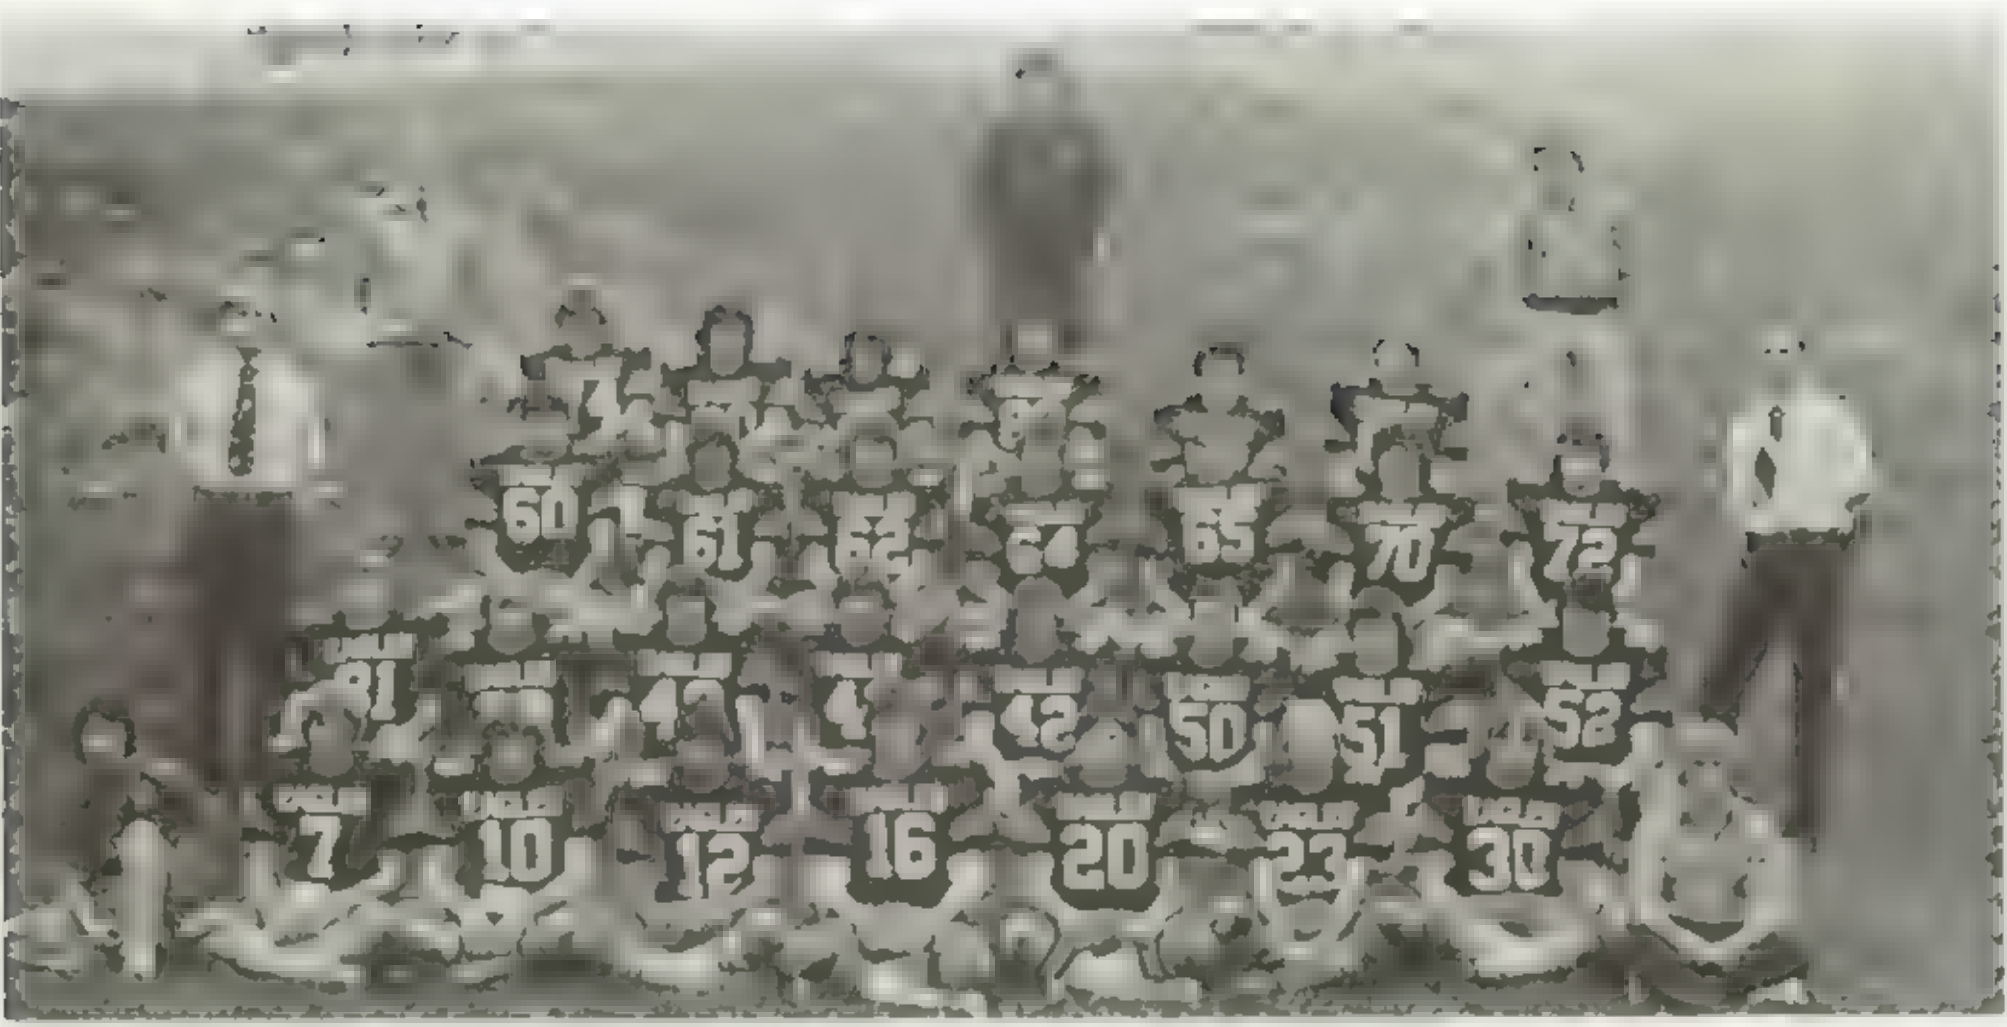

Football means hard work, sacrifices, disappointments and winning. To play football one must be willing to work hard in practice and in the off-season. In order to work hard, one must give up some of the usual pleasures. However, in the end, all the work is worthwhile.

Along with football comes the disappointments of losing and the joys of winning. Football builds character and teaches one to accept winning and losing graciously. Football also instills a feeling of pride and a strong sense of accomplishment.

Football can be paralleled somewhat to the game of life. Many lessons are learned from each. Many of these lessons may prove to be valuable.

FOOTBALL

Football is one of the greatest games. It is a game that we can be proud of. Hopefully it will remain that way for a long time to come.

BAND

This year the East Davidson High School Band was vastly improved in several areas. This was its second year under the direction of Ed Kieter. There were over sixty members in the marching band that performed at all of the football games, two Guilford College football games, the Thomasville Christmas Parade, the Lexington Veterans' Day Parade, and the 1977 Shrine Bowl Game. They also competed in the Wake Forest University Marching Band Competition where they received a superior rating.

During the winter, a pep band helped boost the spirit at all of the home basketball games. Many concerts were given throughout the year by the concert band which was also in a contest in the spring.

The band began practicing August 1, and after putting in many after-school hours, developed into a tremendous group. East is very proud of its band for their dedication and hard work.

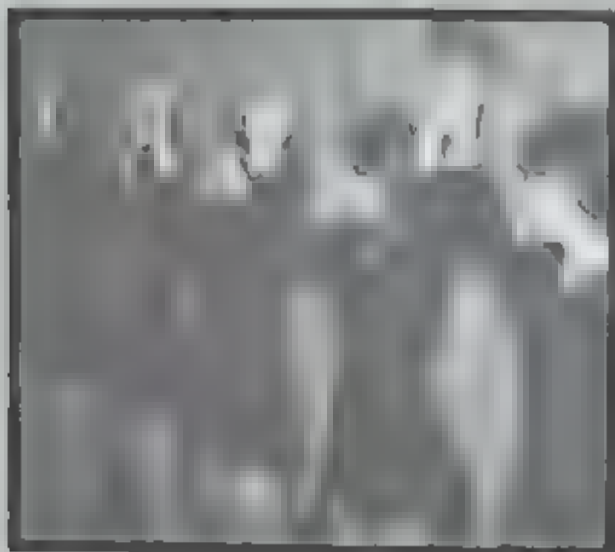

Left to Right: Darlene Jenkins, Cindy Evans, Debbie Towery, Karen Harris, Marlene Hipp, April Wood, Romona Suggs, Dorle Lambeth — Choir: Lynette Trotter, Tammie Coe, Jan Byers, Debra Craft — Assistant Choir: Ronnie Williams — Manager: Angela Disher — Manager, Miss Betty Payne — Sponsor

The Eaglelettes and their managers work hard to give their best performance at Football and Basketball halftimes. They also work hard performing at other events throughout the year.

EAGLETTES

Each day our chorus rehearses for its yearly concerts under the direction of Mr. Ed Kieter. We appreciate the hard work and effort put forth. We, the students and the community, appreciate the hard work and enjoy the excellent concerts.

IN MEMORY OF — ROSEMARY ANN WARD

April 9, 1960
September 15, 1977

Loved by all who knew her she touched the lives of those around her. Her tremendous faith, her courageous acceptance of her illness, and her noncomplaining attitude made "Rosie" a unique individual. Complex and independent she was, yet a single rose could always bring a smile.

"Our loss is truly Heaven's gain"

"I have fought a good fight, I have finished the course, I have kept the faith".

Martha,

I have truly enjoyed getting to know you this year. You are a super nice person. Wish you could have been in one of my classes, but maybe you will be one year before you graduate. Martha you should stick to those plans to be an airline stewardess. I believe that would be the job just for you. Take care of yourself this summer. Be good and try to be at East next year if you can. Best of Luck in the future to a very attractive lady and a super person.
